

How do we respond to God's call to serve and love our neighbors?

We faithfully steward the gifts God has so abundantly given to us. Although some think of stewardship as only a financial response to God's love, stewardship encompasses so much more than money. It is about how we use all that God has entrusted to our care – our time, our talents and our treasures – to love God and our neighbors, both inside and outside of the church walls and our homes.

How can I be a good steward at St. John's?

Look through the other side of this piece of paper and see what interests you. Do you have a gift that you use in your occupation? Do you enjoy an activity or talent that you would be willing to share?

There are many ways to use your gifts and talents. Please take time to look at the options and mark down what you would be willing to give an hour or more here at St. John's. If more than yourself is in your household, please write name(s) by the item of interest.
