

Church Camp Campership Application

St. John's offers a scholarship to students who would like to go to Crossways Camps this summer. The church pays 75% of the fee for camp. We encourage families to register early. The deadline for *Early Bird* registration deadline is in March. You can register for camp at www.crosswayscamps.org.

Selection Policy

Camperships will be awarded on the basis of the following:

- Giving back to the church. This is just a small list but an idea of giving back to St. John's by helping with events, worship or other activities that would assist and serve St. John's.
- After camp report. The child will need to report back to the congregation about their experience at camp. The child can either talk with the council about their experience at a meeting, write about attending camp or for children under grade 2 can draw pictures of things that went on at camp.

Applications must be filled out completely to be considered. Drop application off at the church office.

Summer camp applications are due at least one month prior to the camp date being attended. You will be notified of the scholarship amount granted by the third Wednesday of the month.
