Call to Order

Roll Call/ Agenda Add-ons

Prayer and Devotion – Crystal

Vision Statement: St John's will keep our hearts open to loving all regardless of race, gender, background, economic status, or other world- created difference. To this end: we will see all people – we will live in service for the needs of our community, and we will open our eyes to the always changing family of God living beside us. The world changes in ways that make us uncomfortable, but we follow God who makes all things new as Christians we accept the command to love one another as God has loved us. Our love actions arise from our passionate displays of service and hospitality. We believe God is calling us to build relationships outside our congregation for the benefit of the entire community and we believe in using our building to feed our neighbors. St John's has been blessed beyond measure, recognizing that our strengths come from our challenges and our weaknesses from our prosperity. We also recognize our need for others and the strength that comes from living in a community.

Next meeting – May 21 @ 6:45 p.m.

Closing Prayer: Lord thank you for trusting us to lead others. Help us to trust you each step of the way. When we encounter difficulties may we carry our burden to you so that you may dispense wisdom, and counsel. When the task seems too great, help us to trust you to show us the way. Thank you for going before us. We will follow your footsteps as you lead us one step at a time. We will not be afraid or discouraged, because we know that you are right beside us. We pray all these things in the name of your Son Jesus Christ our Lord. AMEN
